

SPELLING WORDS Guidelines

All ages

Using your spelling book, make a list of your spelling words for the week in your notebook, or use the list your parent has created for you

Be sure to complete all of the following activities in your notebook

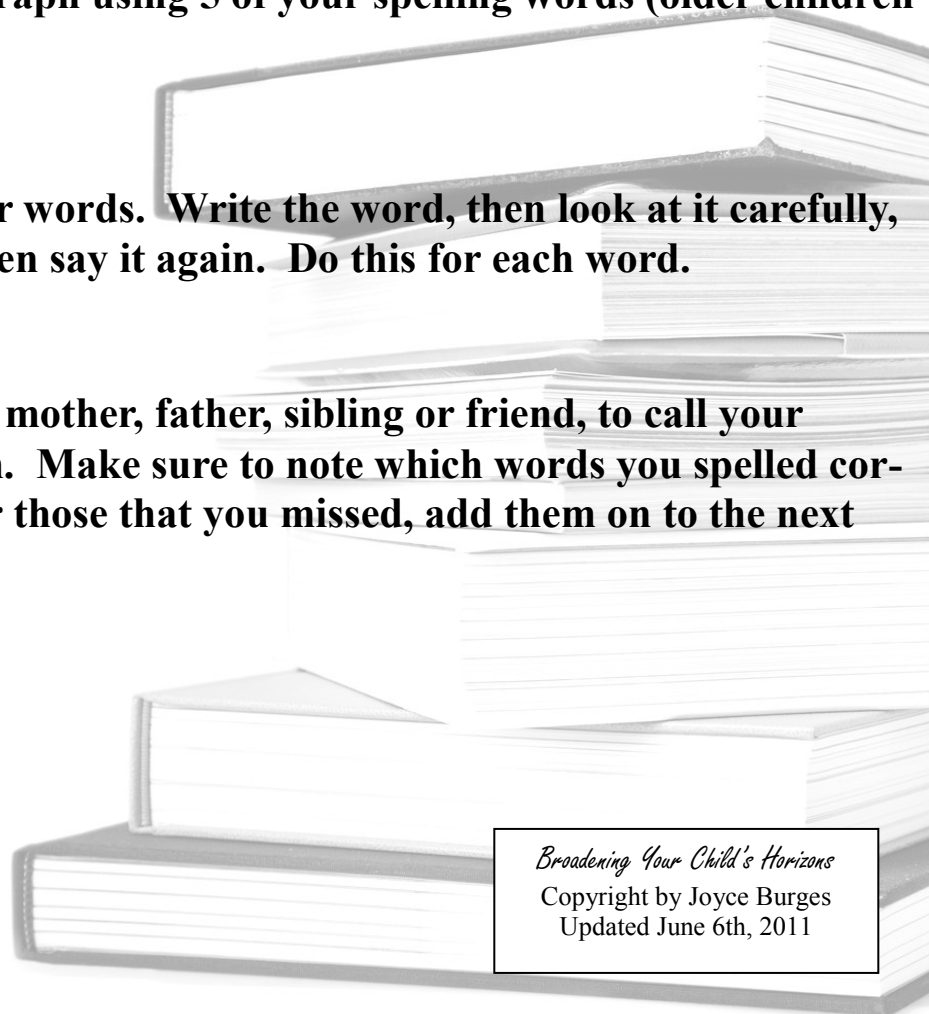

Monday – Write all of your spelling words three times each in your notebook

Tuesday – Look each spelling word in a dictionary, choose a meaning you understand, and write a definition for each word in your notebook

Wednesday – (1) Write a sentence for each of your spelling words, be sure to underline the word (2) write a paragraph using 5 of your spelling words (older children may use 10 words)

Thursday – Rewrite each of your words. Write the word, then look at it carefully, say it out loud, spell it out loud, then say it again. Do this for each word.

Friday—Spelling Test. Ask your mother, father, sibling or friend, to call your words out to you as you spell them. Make sure to note which words you spelled correctly, and which you did not. For those that you missed, add them on to the next week's spelling list.
